**2009 IEEE International Conference on Systems, Man, and Cybernetics**  
**October 11-14, 2009**  
**Hyatt Regency Riverwalk, San Antonio, Texas, USA.**

**Location:**  
The 2009 SMC conference will be held in San Antonio, U.S.A. at the luxurious Hyatt Regency Riverwalk Hotel, 123 Losoya Ave., on the banks of the Riverwalk and across from The Alamo.

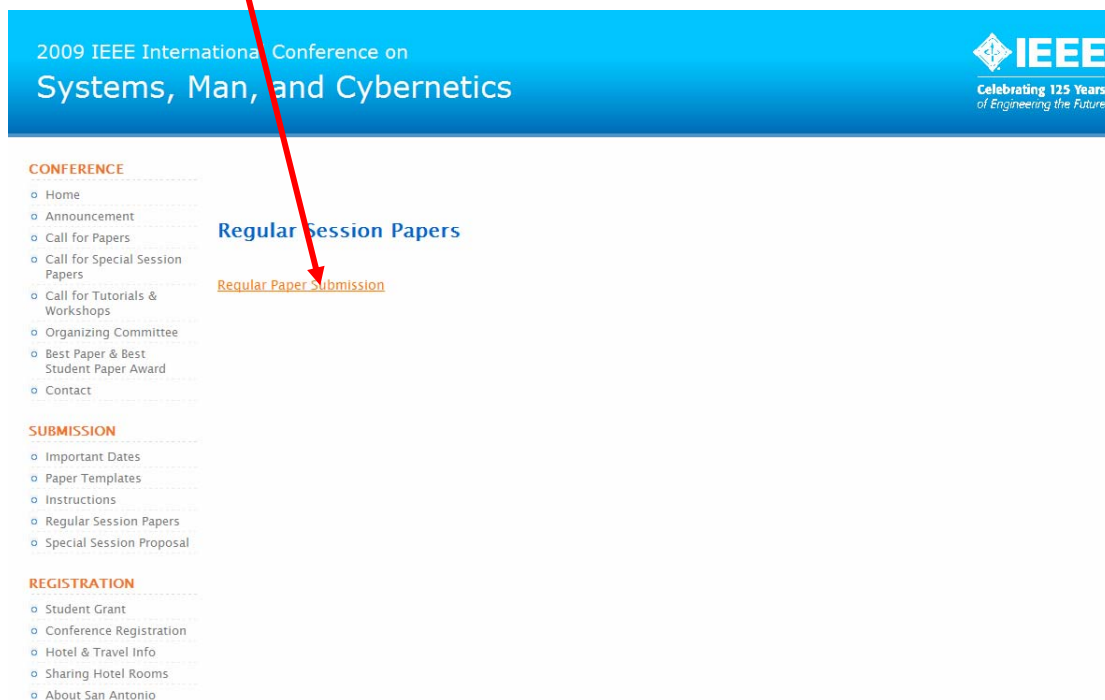

**Theme:**  
The 2009 IEEE International Conference on Systems, Man, and Cybernetics (SMC2009) provides an international forum that brings together those actively involved in areas of interest to the IEEE Systems, Man, and Cybernetics Society, to report on up-to-the-minute innovations and developments, to summarize the state-of-the-art, and to exchange ideas and advances in all aspects of systems science and engineering, human machine systems, and cybernetics. The theme of the conference is:

**Intelligent Human-Machine Systems for Quality of Life**

Advances in Systems Science and Engineering, Human-Machine Systems, and Cybernetics continually play increasing roles in creating intelligent environments involving state-of-art technologies interacting with humans to provide an enriching experience and thereby improving the quality of our lives. Papers related to this conference theme are especially solicited, including theories, methodologies, and emerging applications such as recognition of activities of daily living. Contributions covering theoretical developments and practical applications, including but not limited to the following technical areas, are invited:

<b>Systems Science &amp; Engineering:</b>	<b>Human-Machine Systems:</b>	<b>Cybernetics:</b>
<ul style="list-style-type: none"><li>Communications Conflict</li><li>Resolution</li></ul>	<ul style="list-style-type: none"><li>Assistive Technology</li><li>Augmented Cognition</li></ul>	<ul style="list-style-type: none"><li>Agent-Based Modeling</li><li>Artificial Immune Systems</li></ul>

The screenshot shows the IEEE conference website header with the title "2009 IEEE International Conference on Systems, Man and Cybernetics U.S.A, Texas — Oct. 11-14, 2009" and the IEEE logo. Below the header is a navigation bar with links: Personal Information, Working Area for Reviewers, Working Area for Chairs, Registration Management, and Powered by ISAS Conference Management System. The main content area is titled "Upload Paper (#00017) to SMC09". It contains a "Paper File:" label, a text input field, and a "Browse..." button. Below the input field is a section labeled "IEEE Xplore's Confirmation Letter:". At the bottom of the form are three buttons: "Upload", "Cancel", and "Reset". A red arrow points from the "Upload" button to the text "Select your paper and click on Upload." above the screenshot.

**Note:** Please select your file ( PDF ) , then click on "Upload" button.

Next, the registration system will display a message window to tell you if the paper was uploaded successfully. Click on **Close** to leave this window.

The screenshot shows the same IEEE conference website header and navigation bar as the previous screenshot. The main content area is titled "Message". It contains a red box with the text "Upload Paper Success". Below this text is a small icon of a document with a checkmark, followed by the text "5KB" and "2008-06-13 10:15:38.314". At the bottom of the message box is a "Close" button. A red arrow points from the "Close" button to the text "You will see this sentence if you have successfully uploaded your paper." in the dashed box to the left.

**You will see this sentence if you have successfully uploaded your paper.**

You will see your paper shown in the *Submission Status* when you finish all of the about steps.
